

REICHER

Annual Appeal

September 3, 2015

Dear Friends,

While writing this letter, I reflected on my involvement at Reicher Catholic High School over the past 19 years. One word that kept coming to mind was “CHALLENGE”.

As a student at Reicher, I was challenged to become an excellent student-athlete and a disciple of Christ. As an alumnus I am challenged to make my way in the world and remain a good steward in Christ. As a parent, one of the many challenges my wife and I faced when our children (Robert '99, Michelle '00, Marissa '06, Melissa '06 and Meagan '10) were students at Reicher was to shape them into becoming followers of Christ and teaching them to strive for excellence. Now as Director of Development for the school, I am challenged to help Reicher continue to grow in order to meet the needs of today, tomorrow and the future.

Reicher continues to face challenges of an aging infrastructure, emergence of new technology, maintaining strong academic programs and guiding students to be well-rounded Christians in an ever-changing world. This year I am inviting you to take part in the challenge to continue Reicher's proud tradition of offering a Catholic secondary education through the Annual Reicher 100 Appeal!

I challenge our dedicated faculty and staff to give a gift in honor of their students, I challenge our alumni to give in honor of the wonderful education they received, and I challenge our parents to give so that our school can continue to provide a superior education. Additionally, I challenge everyone to pray daily for Catholic education in our local communities, our Diocese, and throughout the world.

Challenges push us to be better. Challenges inspire us to reach for the stars so that we may achieve our dreams. Reicher Catholic High School has big dreams and they begin with your help. Please look into your heart and accept the challenge to give generously to the Reicher 100 Appeal this year.

May God bless you and Reicher Catholic High School!

David Hurtado
Director of Development
Class of 1981
